PRACTICE SCHEDULE

A complimentary special occasion style is offered to the bride when 5 or more in wedding party (excluding the bride) are booked with special occasion styles.

We require a practice run to be scheduled 2 to 3 weeks prior to your wedding day. This allows for greater communication between you and your stylist, a chance for any changes or modifications to be made to your style, and for the stylist to become familiar with your hair. We don't want any surprises on your wedding day and neither do you! The practice can be scheduled in one-hour increments for hair. You will need these items for your practice:

1. Your headpiece or veil
2. Pictures of hairstyles you like
3. Picture of your dress (optional)
